

Summary of Operator's Rules for SuperEnalotto

Italy's SuperEnalotto is one of the biggest lotteries in the world. It is famous for its long periods of rollovers which grow the jackpots to hundreds of millions of Euros. The Jackpot continues to grow with no cap until there is a winner when it then reverts to the starting amount.

It set the European record for the biggest jackpot in February 2023 when it paid out a €371 million first prize to one lucky winner after jackpotting for over a year.

There is a guaranteed minimum €2 million starting jackpot, with a percentage of ticket sales of previous draws being added to this until the jackpot is won.

To play, 6 numbers are chosen out of a pool of 90.

Draws take place in Italy at 8pm every Tuesday, Thursday, Friday and Saturday local time.
